

Great
marketing.

YOU WERE WARNED!

WORKING WITH BIG MAY INVOLVE SHEEP. ♥

But that's just
the beginning...

We're a marketing agency
with a big heart.

If you work with BIG, there's
a good chance you'll meet
Star, Oscar and their friends
at The Farm Animal Sanctuary
(near Evesham), because
they're a big part of who we are.

Star and Oscar were rescued
when they were just four days
old and will live happy and
long lives at the sanctuary now.

Giving back is important to us,
which is why we donate
a % of our profits to animal
rescue and other charities.

Same great
marketing.
A kinder world. ♥

Sheep-ish facts... 💡

- ♥ Sheep can recognise up to 50 different faces.
- ♥ They have best friends (just like us!).
- ♥ Lambs can stand within minutes of being born.
- ♥ A group of sheep is called a flock.
- ♥ And yes... they really do make everything better! ♥
